

Sanitary - Industrial Mixing Systems, Agitators, & Mix Tanks Build to Your Specifications

White Mountain PROCESS

Pharma
Biotech, Pharmaceutical,
& Laboratories

Sanitary
Food, Beverage, Cosmetic,
& Nutraceutical

Industrial + Chemical
Battery Production,
Complex Blends

Look to White Mountain Process for:

Blenders, Mixers, & Agitators

- Sanitary Mixers
- Bottom Entry Mixers
- High Viscosity Mixers
- Lab Mixers
- High Shear Mixers
- Corrosion Resistant Mixers & Mixtanks
- Industrial Top Entry Mixers
- MAG Drive Bottom Mount Mixers

Mixing Tanks & Engineered Systems

- Poly Mixing Tanks - High Density Polyethylene (HDPE), Polypropylene (PP), Polyvinylidene (PVDF) and Teflon (PTFE)
- Metal tanks - 304 Stainless Steel, 316L Stainless Steel, Hastelloy C and other exotic metals
- Polish, Electropolish, RIBO Testing, CIP, Gold Document Packages

Mechanical Seals

- Dry running
- Sanitary Seals Mixer (CIP + SIP)
- Single seal with debris well
- Cartridge style
- Repair Services
- Barrier Systems for Double Seals
